

## INVESTMENT MANAGER SIGNATORY DECLARATION

---

As institutional investors, we have a duty to act in the best long-term interests of our beneficiaries. In this fiduciary role, we believe that environmental, social, and corporate governance (ESG) issues can affect the performance of investment portfolios (to varying degrees across companies, sectors, regions, asset classes and through time). We also recognize that applying these UN Principles for Responsible Investment (PRI) may better align investors with broader objectives of society. Therefore, where consistent with our fiduciary responsibilities, **Maha Capital Partners** commit to the following:

- To incorporate Environmental, Social, and Corporate Governance (ESG) issues into investment analysis and decision-making processes;
- To be an active owner and to incorporate ESG issues into our ownership policies and practices;
- To seek appropriate disclosure on ESG issues by the entities in which we invest;
- To promote acceptance and implementation of the Principles within the investment industry;
- To work with the PRI Secretariat and other signatories to enhance their effectiveness in implementing the Principles;
- To report on our activities and progress towards implementing the Principles

By signing this letter, **Maha Capital Partners** agrees to pay the annual fee and commits to completing the PRI Reporting Framework on an annual basis.

**Maha Capital Partners** is classified as an Investment Manager.
